

Online Registration Open for the 13th Sarajevo Business Forum

Opportunity to Participate in Regional Development

Online registration is now open for the 13th Sarajevo Business Forum, the largest business and investment conference in the region. This year's Forum will take place from May 21st to May 23rd in Sarajevo, providing participants with a unique opportunity for idea exchange, sharing experiences, and exploring business opportunities.

Those interested in participating can register through the website <https://www.sarajevobusinessforum.com/en/2024/registration>.

The 13th edition of the Sarajevo Business Forum promises inspiring discussions, new partnerships, and stimulating ideas that will contribute to further business development in the region. Engaging panels are planned, focusing on regional cooperation and investment opportunities in the Western Balkans region, as well as on facilitating cross-border trade. One of the panels will be dedicated to railway infrastructure and its modernization, while this year's focus will also include health tourism and its impact on boosting economic activities in the region.

The Sarajevo Business Forum, a prestigious investment and business conference, offers all attendees networking and investment opportunities. It is organized under the patronage of the Presidency of Bosnia and Herzegovina by the Bosna Bank International in cooperation with its strategic partner, the Ministry of Economy of Sarajevo Canton, and shareholders of BBI Bank – Dubai Islamic Bank (DIB), Abu Dhabi Islamic Bank (ADIB), and Islamic Development Bank (IsDB), along with numerous other domestic and international partners.
